P104157

Choose harmony

Some people might not even think about styling their switches and outlets. They're just plain there. But no more of that. Now you can be just as refined when choosing switches as you are with every other detail in your home.

With smoothly rounded shapes and textures, Unica Top marks your belief in the conclusive importance of our material surroundings. Get rid of the plain! Strengthen that elegant look-and-feel of passion for the beautiful you wanted in the first place.

Switch style

Would a touch of nature make your day? Switch to a new style. Simply mix functions and upgrade your home. Not just because Unica Top in solid wood is smart looking, but because switches, outlets and electronic devices like these will make your everyday life so much more efficient and comfortable.

Unica Top can provide effective control of light, warmth, coolness, alarms, locks... Your imagination is just about the only thing it won't control. And even if you would settle for a plain light switch right now, its tempting design and possibilities might make you switch your mind in a near future.

It's that simple. Which switch style is yours?

P104126

Do you enjoy interior decorating upgrades? Unica Top is still with you – all the way. Changing from solid cherry to beech or switching altogether for some cool metal is an easy piece.

P104139

Heavy metal

Sometimes we want life to rock. Unica Top in solid metal is a short cut. Anyone who enters your home will certainly get a shimmer in their eyes when they note your switch of style. Beautiful things make us click. Unica Top metal will fit like a glove with your picky taste, or any interior architects skilled planning. Note the variety of frames and inserts – a source of joy. Because it's design is timeless, clean, and discreet. Like the very best of our friends, it fits in almost anywhere, regardless of the surrounding ambience.

A bonus of Unica Top metal is that it is actually an environment-friendly material – profitably recyclable when the day comes. And it's easy to keep stainlessly clean. It's not a coincidence that we considered that too.

At the foot of the rainbow

Some people look for treasures there. And others feel that colour is the treasure of any stylish interior. Unica Top colour puts a soft, harmonious rainbow at your doorstep. The solid metal frames add extra refinement and a touch of class. Sober, stylish and ready to switch your home into a warm, personal and comfortable place.

Unica Top has a softspoken range of colours fitting most styles. An extra benefit is that Unica Top colour will switch your life – giving it a new aesthetic and colourful freedom.

Your home is
at your service

P104120

Your home is your considerate friend

Your Unica home is much more than style up the walls. It also helps you keep the right atmosphere at any moment. All day and all night. Any season of the year, your house knows what you need, what you like and how to get you in the right mood. You can direct a suiting ambience for the occasion, at the touch of a button. No sweat. Make the most of your energy – and do it with comfort.

Rotary dimmer. Onyx Copper/Aluminium.

P104147

Movement detector. Beryl blue/Aluminium.

There's a Unica for every comfort need. The weekly programmable thermostat follows family habits and saves energy when it's not needed. Movement detectors welcome you by turning on the light. They also have the sense to turn them off when you leave. Dimmers help you set the mood and saves your energy on the way.

Wireless

How do you run wires to a glass section or through a sturdy brick wall? Well, you don't have to. The possibilities when placing your comfort controls become virtually limitless with Unica Wireless. This innovative technology also comes in handy if you need to add functionality to your home without having to rip up walls or tangle with the already installed wires. Now you can achieve anything from programmed lighting to shutter scenarios.

P104878

Remote control for light and shutters, programmable. Stainless steel.

New generation communication

We live in environmentally alarming times. Staying connected is a way to keep up. Active communication teaches us how to move on in a better way. In order to learn, we need input. We benefit from news, educational programmes, our kids do their home work on the computer. Innovative technology is an essential vehicle to a better future.

Stay connected

Real-time communication, sharing and distributed on-demand entertainment are a natural part of your life. The demands of effective data transfers push things forward at an incredible speed as the connected community grows.

E-mail, message, on-line gaming, IP phones, music and video mix and redefine the concept of home entertainment and communication. Information is always there when you need it and your good friends are at close reach. Voice, data and living images put you on the spot where it happens, even when you are at home. Your home becomes your hub of life.

The outcome of smart outlets is simplicity. We have all had our good share of displeasure at cable nests and dusty, antique sockets. Unica Top gives you all those different outlets and connections with both style and a minimum of complexity. The best part is what you can't see. Let's just call it a new way of life.

P104160

Centralization cover frame, 2 x 6 modules, with outlets. Bright chrome/Aluminium.

“On the move” is probably a good way to describe your everyday. How about a home making smooth moves an effortless cinch? Simply connect the stereo with the computer and the television set, and communicate on your terms. Unica Top gives you all functions luxuriously available at your fingertip!

P105647

Wake up clock. Rhodium black/Aluminium.

It's all taken care of

In a busy everyday life we need to relax and recharge. A Unica Top home acts like a skilled, formally dressed butler. Making your life stylish, comfortably safe and effortless. Keeping you cool or warm, lighting up or dimming and keeping track of security. Unica Top always takes care of you when you're at home – or just because you're not.

P104129

Your reliable guard

Who looks after your home when you're on vacation? Your friends and family? Well, in a former life maybe. Nowadays your home looks after itself, with the use of Unica Top weekly programmable thermostats and timers. Of course electricity in itself is a powerful source. And if it's left uncontrolled it can be dangerous and cause extensive damage. A Unica Top home helps avoid those problems. Your home is your reliable guard. But take a tip and invite your friends and family to stay in your house anyway. Not to look after it, but to enjoy it.

What's on your list of things that pay to prevent? Security is about control. About feeling safe. Unica Top makes it easier than ever for you to keep on top and worry less. For example, you never have to wonder if the iron or coffee brewer were turned off when Unica Top is on the job.

With Unica Top movement detector you can automatically turn the light on and off, by your mere presence. The same detector, connected to your burglar alarm, watches out for unwanted guests.

High-tech metal

Will your eyes glisten, reflecting upon Unica Top solid metal? Metal is a natural material signalling precious longevity. It remains an extensively used feature of interior design, simply because it will embellish both the modern and traditional, and any personal expression in between. Metal blends in, but also makes a subtle statement, giving us the best of clean lines and simplicity. Even more so, giving the personal freedom of multiple combinations and accents in the variety of cover frames and inserts.

Unica Top Metal will stylishly point out the comfortable functions you have chosen for your home. Let your living space reflect your lifestyle.

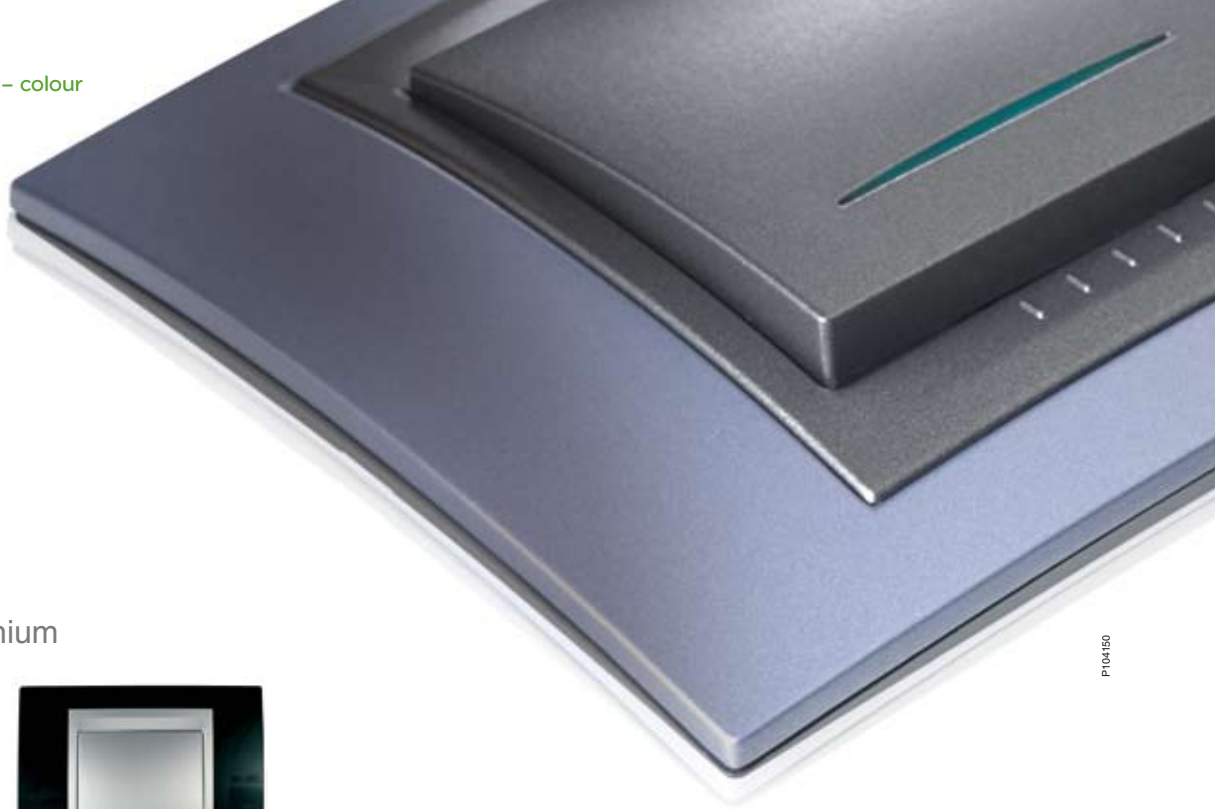

Colour matters

Colour is an essential element of a harmonious everyday. We are confident that your creativity will surge with the possibilities of Unica Top colour. What is your emphasis? Emphasize and blend your interior colour palette with creative ease. Cover frames of solid metal give subconscious tactile impressions of longevity and refinement. Inserts of aluminium or graphite makes it possible to switch between astonishing combination possibilities of design expressions until you score the one pinpointing your class.

Personal style prevails! Unica Top colour is both a way to stylishly draw attention to exclusive, comfortable Unica Top functions and to help create a unique atmosphere – the perfect feeling of your home.
